Hi Paul/Kim: I am fine with these edits and have a couple of responses to your comments.

Michael: could you take a look at Kim's last comment which I highlighted?

Thanks,

Subject: Draft Template for Consulting Tribes on Dewey Burdock

Hi Kim and Paul: as follow up to last week's meeting discussing the contents of a letter to all tribes who actively consulted with us on Dewey Burdock, please review the attached shared version of a template letter and provide us with your comments asap. The language draws heavily from the recent letter we sent to the OST President for concluding consultation.

My understanding is that these letters would be sent concurrent with the issuance of our final permits and that Darcy would be calling each tribal leader in advance.

Thanks,

Douglas
